

TOYOTA

2021 Sienna

DEP
DEALER ePROCESS

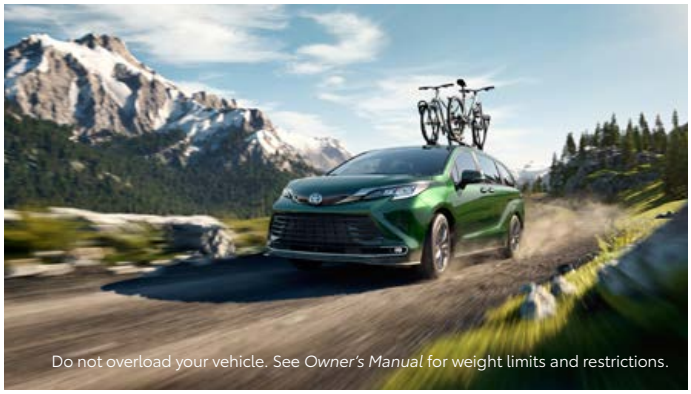

Take on today.

Stylish on the outside. Functional on the inside. The 2021 Toyota Sienna effortlessly works with your lifestyle. Standard Apple CarPlay®[1] and Android Auto™[2] compatibility lets you bring your favorite apps along for the ride. On unfamiliar roads, its available All-Wheel Drive (AWD) system helps keep you in control. And standard Toyota Safety Sense™ 2.0 (TSS 2.0)[3] and the ToyotaCare[4] maintenance plan help you drive with added peace of mind. Wherever you go, Sienna's versatility will inspire you take on the day — and look good while doing it.

XSE shown in Ruby Flare Pearl.[5] Below left: Platinum shown in Predawn Gray Mica. Below right: Limited AWD shown in Cypress.

Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.

Toyota Safety Sense

AWD

ToyotaCare

See numbered footnotes in Disclosures section.

XSE shown in Ruby Flare Pearl[5] with available XSE Plus Package. Right top: Platinum shown in Predawn Gray Mica. Right bottom: Limited AWD shown in Cypress.

Sporty styling

With available 20-in. dark wheels and black sporty accents including a honeycomb grille, Sienna's modern design matches your sense of style.

Premium exterior

Sienna is as stylish as it is functional. Its unmistakable silhouette inspires you to accomplish whatever's on the agenda, in style.

Unique color

Exclusively for Sienna, Cypress is available, for a look that stands out from the pack.

EXTERIOR

Style with room to spare.

Whether you're going out for a night on the town or to your daughter's dance recital, Sienna's picture-perfect look is ready for any occasion.

DEP
DEALER ePROCESS

INTERIOR

Full of good ideas.

The second you step inside, Sienna's driver-focused interior makes you feel like a boss. With no inch overlooked, Sienna's thoughtfully designed interior is the ideal balance of function and style.

XSE interior shown in Moonstone with Gray Flannel SofTex®[6] trim. Below left: Platinum interior shown in Noble Brown leather trim. Below center: XSE shown in Ruby Flare Pearl with available XSE Plus Package. Below right: Limited AWD shown in Cypress.

Second-row captain's chairs

Sienna's available super-long-slide seats and captain's chairs with built-in ottomans[7] slide back for enhanced comfort or move up to make more room for cargo[8] or passengers in the third row.

Hands-free power sliding side doors and liftgate

Need an extra hand? Simply use a quick kicking motion with your foot to open and close Sienna's available kick-activated dual power sliding doors and rear liftgate to make getting in and out easier.[9]

1500W power inverter

Bring the comforts of home wherever you go. With an available 1500W-capable power outlet, you can power a slow cooker or quickly inflate an air mattress![10]

DEALER ePROCESS

See numbered footnotes in Disclosures section.

XSE shown in Ruby Flare Pearl.[5]

Sport-tuned suspension

Sienna doesn't compromise on performance. Its available sport-tuned suspension helps deliver a dynamic drive every time you get behind the wheel.

Limited AWD shown in Cypress. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.

AWD capability

Gravel, rain or snow, Sienna's available All-Wheel Drive (AWD) system helps give you confidence on unfamiliar roads.

PERFORMANCE

Keeps up with your hustle.

Every Sienna is a hybrid. Whether you're driving around the city during the day or taking a weekend road trip, Sienna's class-leading EPA-estimated 36 combined mpg helps keep you going.[11]

Platinum shown in Predawn Gray Mica and XSE shown in Ruby Flare Pearl.[5]

DEP
DEALER ePROCESS

COMFORT

Refined in all the right ways.

XSE interior shown in Moonstone with Gray Flannel SofTex®[6] trim.

Four-zone climate control

You like it hot. Your partner likes it cool. Your son needs it to be 70 degrees exactly. And your dog likes it toasty. Using Sienna's available best-in-class four-zone climate control system,[66] you can set the temperature for each zone, so everyone can keep their cool.

Platinum interior shown in Noble Brown leather trim.

Rear-Seat Entertainment Center

On road trips or campouts, passengers can watch their favorite shows in the back with Sienna's available 1080p HD Rear-Seat Entertainment Center.

Platinum interior shown in Noble Brown leather trim.

Heated and ventilated front seats

Sienna's available heated and ventilated front seats and heated rear captain's chairs bring enhanced comfort — no matter the season.

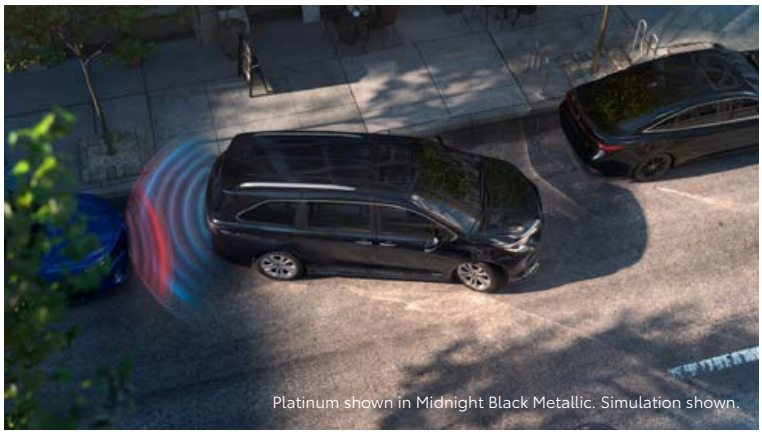

DEALER ePROCESS

See numbered footnotes in Disclosures section.

CONVENIENCE

A real people pleaser.

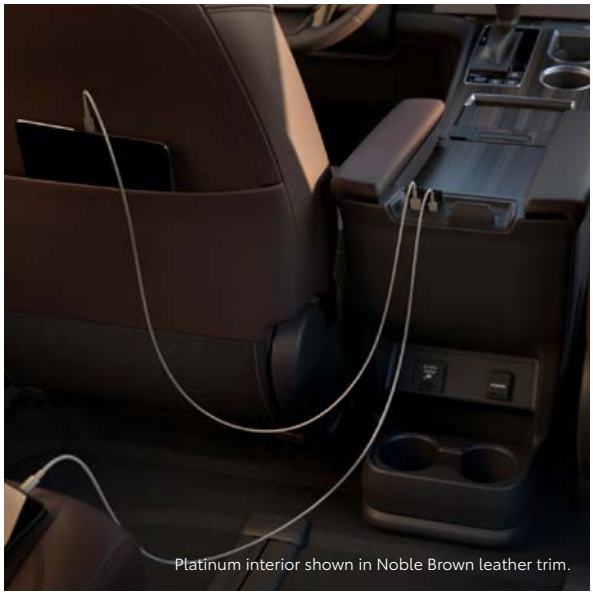

Forget to lock your doors at your nephew's band concert? Use your compatible smart device to lock the doors using Sienna's available Remote Connect[12] feature, without missing the opening song. And when the whole crew comes along for the ride, Sienna's available digital rearview mirror makes it easy to see what's behind you. Loaded with all the bells and whistles, Sienna helps keep you in control.

Platinum shown in Midnight Black Metallic. Simulation shown.

Front and Rear Parking Assist

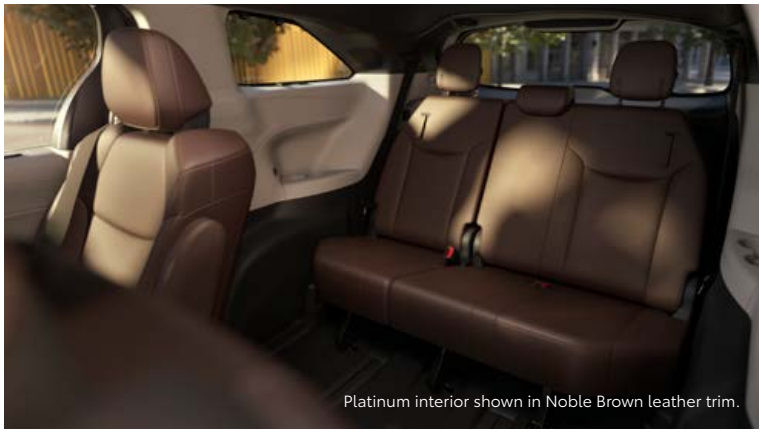

Up your parking game. When pulling in or backing out of a tight space, Sienna's available Front and Rear Parking Assist with Automatic Braking (PA w/AB)[13] sends you audio and visual notifications, helping you park under pressure — without breaking a sweat.

Platinum interior shown in Noble Brown leather trim.

Seven USB ports

Passengers can freely use their phones and tablets without worrying about their battery levels by connecting to one of the seven USB ports found across all three rows.[14]

Platinum interior shown in Noble Brown leather trim.

Split & Stow 3rd Row® seat

Make room for more friends, more stuff or both. Sienna's One-Motion-Stow Split & Stow 3rd Row® seat easily folds down so you can configure the space in the back to meet the day's needs.

DEP
DEALER ePROCESS

Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services[15] provides added convenience and peace of mind.

- ✓ Safety Connect®
  Emergency SOS assistance and 24/7 Toyota Roadside Assistance.[16, 17]
- ✓ Service Connect
  Get personalized maintenance updates and vehicle health reports.[18]
- ✓ Remote Connect
  Start, lock/unlock your doors and more, using your compatible smart device.[12]
- ✓ Wi-Fi Connect
  Turn your Toyota into a hotspot with 4G connectivity.[20]
- ✓ Destination Assist
  24/7 live agent assistance to locate your next destination.[21]

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll always have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

Works with Apple CarPlay

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay®[1] compatibility, you can use your compatible iPhone®[22] with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

works with androidauto

Android Auto™

Stay connected on the road. By pairing your compatible Android™[23] phone with the audio multimedia system, Android Auto™[2] lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM

SiriusXM® All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM,®[24] you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.[24]

alexa

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa[26] connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL

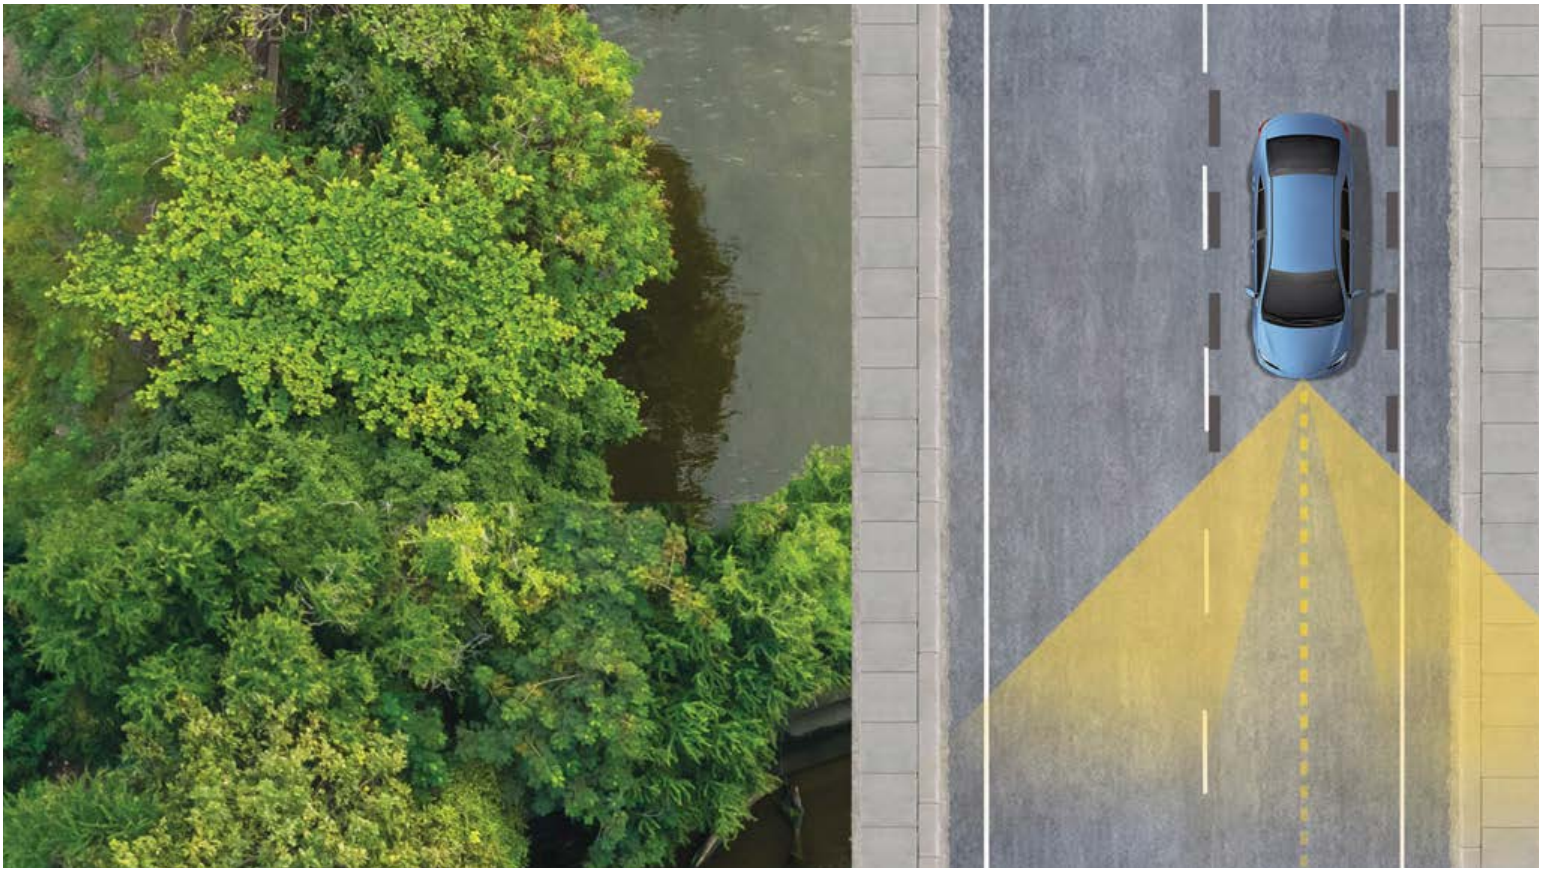

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL®[19] finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable *Warranty and Maintenance Guide* for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. **2.** Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: https://www.android.com/auto/. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. **3.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **4.** ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. **5.** Extra-cost color. **6.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **7.** Do not use the lounge chair with ottoman when vehicle is in motion (use only when vehicle is stationary). If the ottoman is in use during an accident, the lap belt may slide past the hips. This could result in restraint forces being applied directly to the abdomen, or your neck may contact the shoulder belt, increasing the risk of death or serious injury. See *Owner's Manual* for additional limitations and details. **8.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **9.** Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. **10. Rated** for 1500 watts shared between both outlets. See *Owner's Manual* for additional limitations and details. **11.** 2021 Sienna vs. 2020 and 2021 competitors. Information from manufacturers' websites as of 10/08/2020. Excludes electric vehicles. EPA-estimated 36 city/36 hwy/36 combined mpg for 2021 Sienna FWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See https://www.fueleconomy.gov. **12.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual-transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and at https://www.toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **13.** At speeds of 9 mph or less, Front and Rear Parking Assist with Automatic Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details. **14.** May not be compatible with all mobile phones, MP3/WMA players and like models. **15.** Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. Stolen vehicle police report required to use Stolen Vehicle Locator. **16.** Toyota Safety Connect® depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. **17.** Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. **18.** Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, which can limit functionality or availability. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. **19.** JBL® and Clari-Fi® are registered trademarks of Harman International Industries, Inc. **20.** Wi-Fi Connect is available on select 2018 and newer Toyota vehicles. Visit toyota.com for vehicle availability. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon's 4G LTE network to transmit data. Data usage and charges apply. Coverage not available everywhere; see vzw.com. See verizonwireless.com/bestnetwork for details. LTE is a trademark of ETSI. Other terms apply. Up to 5 devices can be supported using in-vehicle connectivity. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2-GB data (whichever comes first). Use of Wi-Fi Connect subject to Verizon Wireless' Customer Agreement (verizonwireless.com/legal/notices/customer-agreement/), Privacy Policy (verizon.com/about/privacy/privacy-policy-summary), and data use policies (verizonwireless.com/support/vz-email-legal/). Apps and services subject to change at any time without notice. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **21.** Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, which can limit system ability functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Services subject to change at any time without notice. Terms of Use apply. See *Owner's Manual* and toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. **22.** iPhone® is a registered trademark of Apple Inc. All rights reserved. **23.** Android is a trademark of Google LLC. **24.** SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. SiriusXM All Access trial length and service availability may vary by model, model year or trim. ©2020 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. **26.** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota+Alexa app is required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps, prices and services subject to change at any time without notice. To learn more, go to https://www.toyota.com/audio-multimedia. To learn more about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. **28.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **29.** Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See *Owner's Manual* for additional limitations and details. **30.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **31.** Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **32.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **33.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **34.** EPA-estimated 36 city/36 hwy/36 combined mpg for 2021 Sienna FWD models; 35 city/36 hwy/35 combined mpg for 2021 Sienna AWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **35.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **36.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **37.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **38.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **39.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **40.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **41.** Dynamic Navigation

depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors outside of Toyota's control, which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Terms of Use apply. See *Owner's Manual* and https://toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Dynamic Navigation three-year trial period begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. **43.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **44.** The Bird's Eye View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **45.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **46.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations. **47.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **48.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **49.** Headphones are for passenger use only. **50.** The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible *Bluetooth*®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **51.** Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **52.** Rated for 12 volts. See *Owner's Manual* for additional limitations and details. **58.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **59.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **60.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **61.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **62.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. **63.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **64.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **65.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your *Owner's Manual* for limitations and details. **66.** 2021 Sienna vs. 2020 and 2021 competitors. Information from manufacturers' websites as of 10/08/2020. **67.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details. **68.** When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See *Owner's Manual* for additional limitations and details. **69.** Dashcam may not record under certain conditions. Always respect the privacy rights of others. See your dashcam *Owner's Manual* for details.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
